Belief That War Is Inevitable Confirmed.

DON CARLOS' MANIFESTO

Utterances of General Lee Regarding th ler makes Another Discialmer.

MADRID April 15.—(Via Bayonne, France.)—The action taken by the spanish cabinet today has confirmed

a call to arms inevitable and immediate if they continue to permit the Spanish etandard to be dragged in the middle Dwenty years of particle retirement fave proved that I am neither ambiques nor a conspirator. "If the glove which Washington has flung in the face of Spain is picked up by Madrid I will continue the same example of abnegation as before, wretched in that I cannot particle in other struggle other than by prayers and by influence of my name. But, if everything leads me to fear that the policy of foundiation will again prevail, we will snatch the relies of government.

for the moment, its offer no furnet revention as a body."

"Our concern is to see that England is not once more dragged at the heels of despots and made to play the game of the latest of the rotten tyrannies that encumber the earth.

"It was easy to coerce Greece, but Affierica stands in a different category. She is a very great power, intensely froud and entirely self contained. Her filte has been to undertake a task peculiarly arduous and thankless. She is not going to be builtied by the heroes of the Cretan blockade, and of the movement against her is pressed to far she will be compelled in her own integrets, to clear the situation.

Our present purpose is to insist that our going to be compelled in her own integrets, to clear the situation.

Our present purpose is to insist that our government does best by using every means in its power to defeat any ability and the power of defeat any ability. American combination: If there the great quajority of the nation we shall be happy to try the experiment of marching a hundred thousand Londoners arrough the metropolis with the Union Jack and Stars and Stripes in combination. It is the business of the mother country to stand by her children of the West as stiffly and strongly as one coditive van by another."

The Times which attaches no importative to the rumors of a European defonstration against the United Sistes, says:

"England would assuredly be no party to go the stand to suggest that, because Defined adlance with the United States for a settlement of a question in which we shall be alliance with the United States for a settlement of a question in which we shall be alliance with the United States for a settlement of a pursion in which we shall be alliance with the United States for a settlement of the Daily Mall soys he tearns the German government will fight shy of thermitying itself with any note to Washington which would be tikely to be restricted as an unwarranted interventor.

LONDONAPHI 16—The Berlin correspondent of the Daily Mail coys he learns the German government with fight sty of themstring itself with any note to Washington which would be likely to be restricted as an unwarranted interventor.

READY TO LEAVE.

SPANIARDS WITHIN OUR GATES.

(The Baltimore Sun.)

Our republic gives a practical recognition in its everyday life and in the workings of its institutions to the brotherhood of man. The Spanish residents of the United States need have no fear for their safety. Even the hercest of our jingo Statesmen would have no fill-will for subjects of Spain who might ind themselves within our gates in time of war. If we fish, it will be only against ar arned enemy.

LIVELY COMPETITION.

(Oradia Bes.)

Oslifornia had an earthquake and Mount St. Helene is giving signs of an approaching eruption. Nature's adverting escales seem bound to keep the Pacific ocast in the show despite the extra utiractions along the Adamtic and Guif.

DIGNITY THERE AND IDLSEWHERE, (New Haven Registor.)

Queen ideas of degrie prevail in some races. 'A Chinese visitor to this country says in a Chinese paper, concerning Americans, that they "have me dignity, for they may be dound walking with women."

Miss Charlottee Yonge's name is to be given to three free scholarships for girls, for which her admirers, headed by the Princess of Wales, are collecting more in England. Miss Yonge is 55 years of age now and has written more than seventy-five books. "The Herr of Redelyffe" first appeared forty-five years ago, and "The Daisy Chain" three years later.

Though only sixteen murders of children have been traced certainly to the murderer Vacher and eighteen more were probably his work, it seems that in the three years after his release from a madboate there were no less than ninety-eight murders and attempts to nurder and outrage in France where the police were unable to find any clusto the perpetrators.

Gen. Zurlinden, Military Governor of Farls, has taken up his official residence in the Horel des Invalides, the old solders for whom the building was intended having been turned out. Their number had grown small owing to the establishment of the system of iniversal military service for a chort term of years. The survivors have been placed in other asylums.

will not be entered.

Having come in from a foreign port, it will be nece-ssayly for both vessels to take out coasiwise papers, which they surrendered on receiving foreign papers. These will not be issued at the customs house until a satisfactory understanding has been reached between Captain Wiley and the officials at Old Point.

It is possible that the case may have to go to the department at Washington.

TO THE RANK AND FILE.

speak of it as OUR company, I believe it will."

"Some months ago in commenting on the singular loyalty that characterizes C. & O. employes. I mentioned their almost affectionate regard for Mr. Ingalls and the fact that he seemed to enjoy their confidence to an extraordinary degree. Anyone who travels much over either the C. & O or the Big Four, and who takes occasion to talk with the trainmen, will be sureto hear utterances in harmony with this feeling of loyalty, which go to show the existence of a really superbesprit de corps. As Mr. Ingalls is not a particularly affable man, nor what is popularly known as "a good mixer." I confess I have at times wondered how he ever managed to get so strong a hold on the hearts of his subordinates, from the highest to the humblest. That "million dollar telegram," giving the meed of praise to those who had earned it, explains it all.
"It goes without saving that the

gram. giving the meed of praise to those who had earned it, explains it all.

"It goes without saying that the traveler feels safer on a train manned by men who have at heart the true interest and success of the company—which they call 'our company—a train running on a track kept in order by men ambitious to make good records and encouraged by the certainty that merit will be rewarded every time—It say it goes without saying that the traveler will feel safer on such a train than on one where the employes are racked with discontent or bristling with hostility, as is, alas! the case on so many of our railroads, largely because the magnates are not in sympathy with the men and fall to give them credit according to their merits."

A Canadian who has just been in Ha-A Canadian who has just been in Havana says: "Everything is rotten. If a man once gets into jail his innocence is a secondary matter, and he will rargely get out again. The Spaniards are anxious no wot imprison foreigners, and look upon them with suspicion. It was only my British passport that protected me. The government officials are corrupt to a man, and the customs officials embezale all the money they can secure. Cuba, as a result of long years of misrule, is in a pitiable state."

In France school children have 226 holidays in the year, leaving only 139 days for study.
